

Getting acquainted with EVA!

EVA stands for 'Europe for all' and is an exchange program within Europe for women of about 35 and more.

Who can participate?

- Anyone interested in different worlds and cultures.
- Anyone ready to work in small teams for the practical organisation of concrete EVA-programs.
- Anyone willing to receive a guest and to visit that guest later on.

Which countries are participating in the exchange-programs?

We are looking for partners within Europe. There have however also been exchanges with other countries, such as Turkey, Egypt and Russia.

When does the exchange take place?

The time of exchange is fixed by mutual agreement.

The foreign Evas are invited to come to Flanders first, in order to get acquainted with the Eva program.

Participation costs.

Boarding and lodging are to be paid by the host family.

Travelling expenses are discussed with the other participants and paid individually.

What does an EVA-week look like?

All the participating ladies (4 to 6) stay individually in a host family and during one week they share normal life with their hostess.

In addition some group activities are planned. Usually these include:

- A welcome-dinner when arriving
- One or more common cultural happenings
- A good-bye party.

The exchange consists of a European lady being your guest for a week and a few months later it's the other way around:

you at your turn will be the guest of the same lady. The experience of hospitality and participation in everyday life makes the stay in a host family so special for the EVAs.

Something for you?

You feel yourself addressed by the EVA-program and you would like some more information?

We invite you to use the contact form on our website:
